Note:

For SCB channel, the Overall (or Common) cutoff ranks for candidates of each category are mentioned above.

Only Overall rank and Category of the candidate (as entered in application form) are considered for SCB allocation.

BS (Economic Sciences) and BS (Engineering Sciences) programs are open only for candidates with Mathematics in XII.

Hence closing ranks for candidates eligible only for BSMS programs (and not for the BS programs) is different from those eligible for both BSMS and BS.
