

Process document for view allotted sheet/Accept sheet for KVPY & JEE

JAC 2021

Step 1: Login through <https://cdn.digialm.com/EForms/configuredHtml/2245/71227/login.html>

The image shows a 'Candidate Login' form with a yellow header. Below the header, it says 'Application (JEE-channel) and Allocation (KVPY/SCB Channel)'. There are two input fields: 'User Id' with a red asterisk and 'Password' with a red asterisk. Below the fields is a blue 'Login' button and two links: 'Forgot Password?' and 'Change Password?'.

Step 2: Put your User id & Password which were received at the time of registration.

Step 3: Click on 'SCB Channel'/'KVPY Channel' for which you have completed your application.

Step 4: Under SCB Channel/KVPY Channel click on Proceed to Seat 'Allocation highlighted' with blue.

Step 5: It will redirect you to another page where 'Applicant Details' and 'Decision Making' tab be there.

Step 6: Click on 'Decision Making' tab.

Step 7: Go through the Instructions carefully.

- If a seat has been allotted to you, then you have to click on the 'Click Here To View Allotted Seat' button, Click on 'Click Here To View Allotted Sheet'.

- If you are not selected in this respective round then a message will be appeared in red color i.e.

Dear Candidate - No seat has been allotted to you on the basis of your preference.

FOR CANDIDATES who have been allotted a seat:

Step 8: Please check your allotment in the 'Allotment Details' tab, followed by clicking on 'Generate OTP' button at the bottom of the same page

Step 9: You will be redirected to a new page for the OTP validation. Please put the captcha shown to you in the respective field and submit the same in order to get the OTP in your registered email id and phone no. Please click on 'OK' once you get the following message

OTP sent to your registered Mobile No and Email Id, Please validate OTP

Step 10: Once you clicked on 'OK' in the earlier step you will be redirected to the previous page, i.e. 'Allotment Details' tab. You will be asked to put the otp in the respective field, followed by validate the same, if you want to get the OTP to be resent please click on 'Resend OTP' button.
